Building and Bar Restoration

There's been a lot of construction around the post over the last couple months. We knocked down a wall, installed new flooring and refurbished the bar. The Post is looking great! I had a couple pictures while the construction was happening, but I can't seem to find them. The bar and the hall got some upgrades!

Western Welcome Week, 8-15

The Post was part of the City of Littleton Western Welcome Week! We told parade goers about the good works of the Veterans of Foreign Wars and the Danny Dietz Post 322 and her Auxiliary! We helped out the community, brought awareness to Veterans and their families and we made a good effort to recruit new members, and we gave out so many Poppies! The parade was great; the floats were cool and there was a big turnout from the community. We recruited a handful of possible members, including Veterans and family members. We made a good effort to mention the Auxiliary and we highlighted the great works they do! We'll have to see if our recruiting efforts paid off. The Post donation bucket was full of cash as well; the community was so generous! The weather turned out great until the end of the day. Clouds rolled then, it started to rain and hail and we were luckily to be alive!

PROUDLY SERVING COLORADO'S VETERANS ★ ADVOCACY ★ INTEGRITY ★ SERVICE ★ COMMITMENT

<https://claims.vfw.org/>

As the largest organization of combat veterans, we understand the frustrations that can arise when transitioning out of the military or filing a claim with the Department of Veterans Affairs. The claims process can be confusing and one that service members and veterans shouldn't try to navigate alone. That's why the VFW's National Veterans Service (NVS) was established to help all veterans, service members, their families and survivors.

NVS consists of a nationwide network of VFW Accredited Service Officers who are experts in navigating VA processes and the key to your success. Don't fall victim to "claim sharks" - companies that illegally represent veterans through the VA claims process and can charge thousands for doing so. Our cadre of highly-trained and professional advocates help veterans cut through bureaucratic red tape. VA reports veterans represented by the VFW have recouped \$16.2 billion in compensation and pension on behalf of veterans and eligible family members in fiscal year 2025.

VFW Accredited Service Officers are trained experts, helping veterans develop their case with ease by reviewing and applying current law, pertinent legislation, regulations and medical histories. As skilled professionals, we assist in filing for disability compensation, rehabilitation and education programs, pension and death benefits, and employment and training programs. Furthermore, we won't hesitate to request hearings before the VA and the Board of Veterans Appeals to present oral arguments when needed.

VFW Accredited Service Officers are with America's veterans every step of the way once they're ready to file a claim. This is a service the VFW is proud to offer -- FREE OF CHARGE -- to anyone seeking assistance with the claims process.
